

A smart solution for when you need a sofa during the day and a comfortable bed (190x140 cm or 190x80 cm) at night. With an Italian opening mechanism, easy to use and very robust. The perfect choice when aiming to create a contemporary and comfortable environment. Available with the option of a square arm or a thinner arm with stitching. Numerous finishing possibilities in any of the fabrics from our sample collection.

### Use

Suitable for comfort and relaxation areas.

### Seat and Backrest

- Interior structure made of first-grade pine wood and particle board.
- Coating: fire-resistant D/25 Kg foam.
- Seat: Fire-resistant D/30 kg bevelled viscoelastic + 200 grams thickness hollow siliconized fibre.
- Backrest: Soft fire-resistant D/25 Kg + 200 grams thickness hollow siliconized fibre.
- Mattress: HR foam, D/28 Kg double-sided quilted and with fire-resistant closed cover.
- Italian bed mechanism certified for 5,000 openings by the Centre for Technology CETEM.
- Separable arms, front, and back.
- Removable seat and back covers.
- The sofa bed operating mechanism is manual and consists of 3 movements; the user must open and close it while standing and facing the seat.

### Upholstery

Great choice from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and anti-fungal protection.

### Certifications

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Certificate for opening mechanism UNE EN13759:2012.

Please consult the SENIORCARE finishing chart for information about the certifications of the fabrics.

Nº Informe: 2734/15/12/11  
 Proyecto: 505-16

#### 3.- Resultados obtenidos

Ref. Empresa: Mecanismo "HELIOS" ; Ref. CETEM: 2734/15/12/11

#### Tabla de Resultados.

Ensayo	Método	Requisitos	Resultado
Ensayo de apertura y cierre del mecanismo Nº ciclos: 5000 ciclos	UNE EN 13759:2012	UNE EN 13759:2012	CORRECTO

#### 4.- Conclusiones

Tras el resultado de las pruebas realizadas no se han observado desperfectos estructurales ni deformaciones permanentes en la estructura, elementos o componentes de unión o fijación.

La muestra ensayada CUMPLE las especificaciones de los ensayos realizados, contempladas en la norma Mobiliario doméstico. Asientos. Método de ensayo para la determinación de la durabilidad de los mecanismos de reclinado y/o balanceo, y de los mecanismos de funcionamiento de los sofás/cama convertibles. UNE EN13759:2012

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
