

FIXED UPHOLSTERED  
BED BASE

DATA SHEET

The FIXED UPHOLSTERED BED BASE is the perfect complement to ensure the user's rest, providing the strength and solidity that the mattress needs.

### Characteristics

The structure of the FIXED UPHOLSTERED BED BASE is made of reinforced steel tubing with transverse beams. Depending on the size of the base, it can be equipped with 4 or 6 threaded legs finished in textured poly epoxy-hybrid paint, oven-dried with anti-corrosion treatment. The bed frame and the perimeter contour are made of MDF with perforations for ventilation. Upholstered in Stretch fabric.

### Finishes

Stretch fabric. Possibility of manufacturing in customer's own fabric.

### Certifications

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
