DATA SHEET

JESS

The JESS armchair features a neutral and essential design that combines wood and upholstery to bring warmth and exclusivity to any environment.

Usage

Waiting areas, dining rooms and relaxation spaces.

Structures

Base made of first-quality solid beech wood with rounded edges throughout its perimeter for user safety. The polyurethane varnishing is done in a 3-layer process.

Seat

Interior seat made of compacted chipboard and covered with high-density and HR polyurethane foam. Fixed to the structure at 4 points.

Backrest

Wooden skeleton with an ergonomic shape for a perfect adaptation to the user's back. Covered with high-density and HR polyurethane foam.

Upholstery

Choose from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and antifungal protection.

Certifications

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Please consult the SENIORCARE finishing chart for information about the certifications of the fabrics.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
