

The MAE collection is ideal for furnishing rooms in care homes, nursing homes and private residences. The diverse range of pieces in the collection, combined with the option to blend different melamine colours, provides an effective solution for any decorative project. Since each project is unique, we offer the possibility to customize and adapt any of the pieces comprising the collection.

### Use

Collection of furniture for bedrooms and different spaces.

### Technical Features

High-quality particleboard that complies with E1 class requirements. Boards with thicknesses of 19 mm and 35 mm with melamine paper on both sides.

- 19 mm boards for drawer fronts, doors, sides, and interior shelves.
- 35 mm boards for tops.

MDF board with thicknesses of 3 mm and 10 mm.

- 3 mm MDF board for the backs of wardrobes.
- 10 mm MDF board for cubes.

PVC edges of 1 mm and 2 mm.

- 1 mm PVC edges on sides and interior shelves.
- 2 mm PVC edges on doors, drawers, and edges of tops.

\*Antibacterial property in the melamine coating: the surface of our melamine inhibits the growth or proliferation of bacteria, meaning it prevents their reproduction, and the bacteria age and die. This effect is maintained throughout the product's entire lifespan.

Antiviral Property, tested by AINIA against Influenza A Virus (H3N2) (A/Hong Kong/8/68 H3N2) (ATCC VR-1679), determining that after 24 hours of incubation, it shows a 90% reduction in comparison to the initial infective dose and an effectiveness of 77% compared to inert plastic, according to the procedure based on ISO 21702: 2019 and NF EN 14476: 2013 + A2: 2019 standards.

Hidden guides with self-closing mechanism in all drawers, except for compact containers and beds.

Optional self-closing feature available for compact containers and beds.

Optional push handle on wall shelves.

Grooved back panel system.

The interior of drawers and containers is finished with a textile texture.

All wardrobe doors feature an automatic hinge closure system with clip mounting and integrated damping.

In all furniture with wheels, the front wheels are equipped with a safety brake.

Interior shelves in cabinets with quick mount click supports. Featuring a locking and tightening assembly system.
