

Collection of 1-seater armchair and 2 and 3-seater sofas. Pieces that convey serenity and comfort with a tremendously attractive design based on simple lines.

Use

Ideal for reception areas, waiting rooms, and relaxation spaces.

Seat and backrest: solid wood internal structure with a seat and backrest suspension system using highly durable elastic straps. Covered with flexible, high-density polyurethane foam with HR resilience. Attached to the structure at 4 points.

Armrests: solid wood internal structure covered with flexible, high-density polyurethane foam with HR resilience.

Legs: solid wood legs, varnished in any of the colours from our colour swatch or in the colour specified by the customer.

Upholstery: to choose from our wide range of waterproof vinyl fabrics with antimycotic, anti-bacterial, and antifungal protection as well as anti-stain finish protection. Our upholsteries are sustainable and flame retardant.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards. Our work processes maintain a high standard of quality, from the design stage to production and subsequent product distribution.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
