BOREAL

Design: **Seniorcare Estudio**

RECOMMENDED USE

Waiting areas, bedrooms, and rest areas.

STRUCTURES

Base made of top-quality solid beech wood with rounded edges along the entire perimeter for user safety. Armrests are wide and extended forward to assist the user when standing up. The wood is finished with polyurethane varnishes applied in a three-coat process. The legs are fitted with high-durability, wear-resistant Teflon glides that protect the floor, reduce noise, and make it easier to move the chairs.

SEATS

Wooden frame covered with flexible, high-density (35 kg/m^3), high resilience (HR) **fire-retardant** polyurethane foam. Fixed to the frame at four points.

BACKRESTS

Wooden frame with an ergonomic shape for perfect adaptation to the user's back. Covered with flexible, high-density (28 kg/m^3), high resilience (HR), **fire-retardant** flexible polyurethane foam.

MECHANISMS

In the versions with a reclining option, the movement is operated by a gas piston, easily controlled by a lever from the seated position.

ECOLOGY

ISO 14001 Certified.

The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified

SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Wood: All colour options indicated in our finishes book.

Upholstery: All fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.

SENIORCARE INTERIORS is certified
ISO 9001 and ISO 14001
