

TECHNICAL DATA SHEET

DAI

Design: Seniorcare Estudio

A design defined by soft, flowing lines. An elegant piece that stands out in any interior design project. Its internal structure, made of reinforced solid wood and upholstered with expanded polyurethane foam, makes it suitable for high-traffic environments. It is ideal for waiting areas, lounge spaces, dining rooms, or as an auxiliary piece in guest rooms. Available in multiple upholstery options using any of the fabrics from our finishes book, it pairs perfectly with the tables, coffee tables, or side tables in our range.

RECOMMENDED USE

Suitable for reception areas, waiting rooms, and relaxation spaces, as well as for use as an auxiliary piece in bedrooms.

SEATS AND BACKRESTS

Internal structure made of solid wood, with a backrest suspension system using high-durability elastic webbing. The seat is made of compacted particle board and upholstered with high-density, high-resilience (HR) flexible polyurethane foam.

ARMREST

Internal structure made of solid wood, covered with high-density, high-resilience (HR) flexible polyurethane foam.

LEGS

Made of solid wood, varnished in natural, walnut, or oak finishes.

The legs are fitted with high-durability, high-resistance Teflon glides that protect the floor, reduce noise, and facilitate easy movement of the chairs.

ECOLOGY

ISO 14001 certified.

SENIORCARE INTERIORS' production processes are certified in accordance with ISO 14001 environmental standards, with the aim of minimizing any impact on the environment.

Seniorcare Interiors holds the Certificate of Registration in the Carbon Footprint, Carbon Offset, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge.

Carbon footprint registration code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 certified

SENIORCARE INTERIORS' quality management system is certified in accordance with ISO 9001 standards across all processes involved in the design, manufacturing, and commercialization of its products.

WARRANTY

5 years.

FINISHES

Wood: varnished solid wood, available in natural, walnut, or oak finish.

Upholstery: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.
