

TECHNICAL DATA SHEET

GEKO

Design: Seniorcare Estudio

With its contemporary and elegant look, this armchair with upholstered arms features a refined design. The reinforced solid wood internal frame, upholstered with expanded polyurethane foam, ensures durability and suitability for intensive-use environments. An ideal solution for waiting areas, lounges, dining spaces or as a multifunctional piece for bedrooms. Available in a wide selection of upholstery options from our fabric range. It pairs seamlessly with any of the tables, coffee tables or side tables from our collection.

RECOMMENDED USE

Suitable for reception areas, waiting areas and lounge spaces, as well as an occasional piece in bedrooms.

SEATS AND BACKRESTS

Internal structure made of solid wood, with a backrest suspension system using high-durability elastic webbing. Inner seat made of compacted particleboard, covered with high-density, high-resilience (HR) flexible polyurethane foam.

ARMRESTS

Internal structure made of solid wood, covered with high-density, high-resilience (HR) flexible polyurethane foam.

LEGS

Made of solid wood, varnished in natural, walnut or oak finishes.

The legs are fitted with high-durability, high-resistance Teflon glides, which protect the floor, reduce noise and facilitate the movement of the chairs.

The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified

SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Wood: available in natural, walnut or oak finishes.

Upholstery: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.
