

## TECHNICAL DATA SHEET

# HIEDRA

Design: Seniorcare Estudio

A highly versatile table collection, available with either wooden or metal legs. Specially designed to facilitate easy access for chairs, armchairs, and wheelchairs, it is ideal for environments requiring special care.

The table can be fitted with adjustable glides to increase its height. It features a metal lower frame that provides outstanding strength and durability.

Available in square, round, and rectangular versions, with 19 mm melamine, 19 mm MDF, or 19 mm HPL tabletops.

The HIEDRA table pairs perfectly with any of the chairs or armchairs in our collections.

## RECOMMENDED USE

---

Multi-purpose table for communal spaces, especially designed for the elderly care sector.

## TABLETOPS

---

**Melamine 19:** particleboard core with melamine facing and PVC edging, all edges rounded.

**MDF 19:** medium-density fibreboard (MDF) core with melamine facing and PVC edging, all edges rounded.

**HPL 19:** medium-density fibreboard (MDF) core with HPL facing and PVC edging, all edges rounded.

## STRUCTURE AND LEGS

---

**Frame:** concealed cross-shaped frame that provides exceptional strength while maximising accessibility for wheelchair users. Finished with epoxy paint.

**Wooden legs:** made of 50 × 50 mm solid beech wood with all external edges rounded, joined to the frame by metal brackets. Finished with polyurethane lacquer applied in a three-coat process.

**Metal legs:** made of 50 × 50 mm steel tubing, finished with epoxy paint in a selection of colours: white, black, aluminium, Stone, Vert, Sky Blue, and Rose.

Polypropylene glides in contact with the floor.
