

TECHNICAL DATA SHEET

JESS

Design: Seniorcare Estudio

A chair with armrests that stands out as an ideal choice when seeking maximum comfort combined with a refined and attractive aesthetic. Its well-balanced dimensions, together with meticulous attention to detail, make it a piece that enhances any type of décor. Ideal for furnishing common areas, multipurpose spaces, and dining rooms. Its solid beechwood frame with fully rounded edges, along with its carefully crafted and comfortable upholstery, makes it a perfect option for intensive-use environments where maximum comfort is required.

RECOMMENDED USE

Waiting and rest areas, dining-rooms and bedrooms.

STRUCTURES

Base made of premium solid beech wood with rounded edges along its entire perimeter for user safety. The varnishing is carried out with polyurethane lacquers in a three-coat process. The legs are equipped with highly durable and resistant Teflon glides that protect the floor, reduce noise, and facilitate the movement of the chairs.

SEATS

Seat core made of compacted particleboard and covered with high-density (35 kg/m³) **fire-retardant** flexible polyurethane foam with high resilience (HR). Attached to the frame at four points.

BACKRESTS

Wooden frame with an ergonomic shape for a perfect fit to the user's back. Covered with high-density (28 kg/m³) **fire-retardant** flexible polyurethane foam with high resilience (HR).

ECOLOGY

ISO 14001 Certified.

The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified

SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Wood: all colour options indicated in our finishes book.

Upholstery: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.
