

Versatile collection of tables with a modern and timeless design, combining different tabletop options with solid central column bases. The bases are available in round or square formats, in a carefully selected range of colours. A wide variety of tabletop sizes is offered, both round and square, manufactured in 19 mm melamine, 19 mm MDF or 19 mm HPL. Its central column structure allows comfortable access from any angle. An ideal table for creating highly elegant and functional environments.
