

A stackable armchair with a practical design, intended for intensive use. Its simple lines, comfortably rounded arms, and solid structural strength make it a reliable choice for professional environments. Featuring a solid beech wood frame and carefully crafted upholstery, it ensures maximum comfort. The PILÉ armchair pairs seamlessly with any of the dining or coffee tables in our catalogue, whether in dining rooms, multipurpose areas, or as an auxiliary piece in bedrooms.

TECHNICAL DATA SHEET

PILÉ

Design: Seniorcare Estudio

RECOMMENDED USE

Waiting and rest areas, dining rooms, multipurpose rooms and bedrooms.

STRUCTURES

Stackable and made of premium solid beech wood with rounded edges along its entire perimeter for user safety. The varnishing is carried out with polyurethane lacquers in a three-coat process. The legs are fitted with high-durability, wear-resistant Teflon glides that protect the floor, reduce noise, and facilitate the movement of the chairs.

SEATS

Seat core made of compacted particleboard, covered with high-density (35 kg/m³) **fire-retardant**, high-resilience (HR) flexible polyurethane foam. Attached to the frame at four points.

BACKRESTS

Ergonomically shaped wooden frame for a perfect fit to the user's back. Covered with high-density (28 kg/m³) **fire-retardant**, high-resilience (HR) flexible polyurethane foam.

ECOLOGY

ISO 14001 Certified. The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Wood: all colour options indicated in our finishes book.

Fabrics: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.
