

TECHNICAL DATA SHEET

ROME

Design: Seniorcare Estudio

An armchair defined in one word: comfort. It is ideal for creating warm and welcoming environments. Its ergonomic design makes it suitable for intensive use, while its solid internal structure—made of reinforced solid wood and covered with expanded polyurethane foam—ensures exceptional durability. The perfect complement for any waiting area, lounge, or lobby where a modern and functional aesthetic is desired, combined with maximum comfort for prolonged periods of use

RECOMMENDED USE

Suitable for waiting and relaxation areas.

SEATS AND BACKRESTS

Internal structure made of solid wood, covered with high-density, high-resilience (HR) flexible polyurethane foam.

ARMRESTS

Internal structure made of solid wood, covered with high-density, high-resilience (HR) flexible polyurethane foam.

LEGS

Made of solid pine wood, available in natural, walnut or oak finishes.

The legs are fitted with high-durability, high-resistance Teflon glides, which protect the floor, reduce noise and facilitate the movement of the armchairs.

ECOLOGY

ISO 14001 Certified.

The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified

SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Wood: natural, walnut and oak.

Fabrics: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.
