

Senta is a piece with clean lines and outstanding structural robustness, designed for intensive use and offering an exceptional quality/price ratio. Its frames are made of solid beech wood, always with rounded edges to prevent injuries caused by impacts, and feature carefully crafted upholstery to provide maximum comfort in every piece. The SENTA armchair can be perfectly combined with any of the dining or coffee tables in our catalogue.

TECHNICAL DATA SHEET

SENTA

Design: Seniorcare Estudio

RECOMMENDED USE

Waiting and rest areas, dining rooms, bedrooms.

STRUCTURES

Base made of premium solid beech wood with rounded edges along its entire perimeter for user safety.

The varnishing is carried out using a three-coat polyurethane lacquer process.

The legs are fitted with high-durability, wear-resistant Teflon glides that protect the floor, reduce noise, and make the chairs easy to move.

The armrests are extended forward to assist the user when standing up.

SEATS

Seat core made of compacted particleboard and covered with high-density (35 kg/m³) **fire-retardant**, high-resilience (HR) flexible polyurethane foam. Attached to the frame at four points.

BACKRESTS

Interior structure made with an ergonomic wooden frame to ensure perfect adaptation to the user's back. Covered with high-density (28 kg/m³) **fire-retardant**, high-resilience (HR) flexible polyurethane foam.

TESTS CONDUCTED. COMPLIANCE WITH THE STANDARD.

Tests conducted at: AIDIMME - Technological Institute for Metalworking, Furniture, Wood, Packaging, and Related Industries.

The tests performed on the model are those indicated and applicable according to the standards:

UNE-EN 16139:2013vc2015 Furniture.

Strength, durability, and safety.

Requirements for non-domestic seating.

ECOLOGY

ISO 14001 Certified.

The production processes of SENIORCARE INTERIORS are certified according to the ISO 14001 environmental standards to minimize any impact on the environment.

Seniorcare Interiors holds the Registration Certificate in the Carbon Footprint, Compensation, and CO₂ Absorption Projects Registry of the Ministry for the Ecological Transition and the Demographic Challenge. Carbon footprint code: 2024-a3268

CERTIFICATES AND STANDARDS

ISO 9001 Certified

SENIORCARE INTERIORS has its quality management certified in accordance with the ISO 9001 standard across all processes of design, manufacturing, and marketing of its products.

WARRANTY

5 years

FINISHES

Woods: all colour options indicated in our finishes book.

Upholstery: all fabrics listed in our finishes book.

All our fabrics—except Apollo—are vinyl-based and feature antibacterial, antimicrobial, and antifungal properties.

They offer high abrasion resistance, reaching up to 300,000 Martindale cycles in some cases.

RECOMMENDED MAXIMUM WEIGHT

140 - 150 kg
