

TECHNICAL DATA SHEET

SYNCRO

Design: Seniorcare Estudio

This orthopaedic adjustable bed is available with full equipment, including a lifting frame, wooden headboards, and wooden side rails. It is designed to meet the needs of people affected by back pain, arthritis, or other mobility issues. The beds are adjustable to provide optimal comfort for all areas of the body. Using a remote control, independent movements of the head and foot sections can be combined.

RECOMMENDED USE

Electric bed for home, geriatric, and hospital use.

BED BASE

Bed with 4 articulation sections, electrically operated by remote control. Powered by electricity. For safety reasons, the handset includes a 9V battery to return the bed to the flat position in the event of a power failure.

The bed structure is made of 50 × 20 mm steel tubing. The articulated slatted base is manufactured from 30 × 20 mm steel tubing and features 24 beech wood slats mounted on rubber pivoting supports.

All metal components are finished with aluminium-colored epoxy coating.

LIFTING FRAME

Electric lifting frame, operated via the same remote control as the bed base, manufactured from steel tubing with an epoxy-coated finish. Running gear with 125 mm antistatic castors, equipped with a locking system. Height adjustment range from 45 to 89 cm.

HEADBOARDS AND SIDERAILS

Headboard and footboard made of beech-coloured MDF, finished with a poly-laminate coating. Wooden side rails matching the headboard and footboard, featuring a folding system with adjustable height ranging from 45 to 89 cm.

ECOLOGY

ISO14001 Certified.
SENIORCARE INTERIORS’ production processes are certified in accordance with ISO 14001 environmental standards, with the aim of minimizing any impact on the environment.

Seniorcare Interiors holds the Certificate of Registration in the Carbon Footprint, Carbon Offset and CO₂ Absorption Projects Registry of the Spanish Ministry for Ecological Transition and the Demographic Challenge.
Carbon footprint code: 2024-a3268

CERTIFICATES AND NORMS

ISO 9001 Certified
SENIORCARE INTERIORS has its quality management system certified in accordance with ISO 9001 standards across all processes involved in the design, manufacturing, and commercialization of its products.

WARRANTY

5 years

SENIORCARE INTERIORS is
ISO 9001 and ISO 14001 certified
